Arts Award

The Arts Award is a great opportunity to support young people who want to deepen their engagement with the arts, build creative and leadership skills, and to achieve a national qualification. Through Arts Award young people can explore any art forms including performing arts, visual arts, literature, media and multimedia. The award builds confidence, helps young people to enjoy cultural activities, and prepares them for further education or employment. As a volunteer you would work with and support staff in delivery the Arts Award sessions.

Community Sparks

Community Sparks is a Creative Arts and Social Group for adults with various disabilities, including learning disabilities and mental health illness. Staff, through consultation create a programme of activities and deliver them with support of volunteers. Due to increasing numbers Community Sparks now runs twice a week on a Tuesday morning and a Thursday morning. As a volunteer community support worker your roles would include general setting up, running of and closing down of sessions.
